

Town of Millis – DPW
Hydrant Flushing

Hydrant Flushing throughout town will begin, Monday, April 11, 2022 between 8:00 PM and 3:00 AM until Friday, May 27, 2022.

During hydrant flushing you may notice a slight discoloration of your water. This is temporary and poses no health risk. Simply run your water, preferably from an outside spigot, for a short period of time until it clears up. Do NOT do laundry until you are sure your water is clear. If the discoloration persists, contact the Millis DPW: 508-376-5424.
